

Eph 3:18 may be able to comprehend with all the saints what is the breadth and length and height and depth,

In order to comprehend the glory of God and therefore enter the super-grace life the believer must have solid foundations in four areas of doctrine.

breadth – doctrines related to the ministries of the Holy Spirit.

length – doctrines related to dispensations and God's program for human history.

height – doctrines related to the essence of the Trinity.

depth – doctrines related to the Angelic Conflict.

These many doctrines become the specifics of reaching the super-grace life. With Christ as the foundation and these doctrines as the support the believer in super-grace has spiritual invincibility.
